

SWISS  
CONSERVATION-RESTORATION  
CAMPUS

Master of Arts in Conservation-Restoration

# Master Award Ceremony

Friday March 31<sup>st</sup> 2023, 16:30 – 18:00

As part of the annual meeting of the SKR

Place: Grossratsaal/Salle du Grand Conseil, Rathaus / Hôtel de Ville,  
Place de l'Hôtel de Ville, 1700 Fribourg

with transmission on **zoom** (code: 940151)

The four partner institutions of the Swiss Conservation-Restoration Campus reward every year an outstanding Master thesis. The four nominees, selected from the Master's graduates 2022, will present their theses during the ceremony:

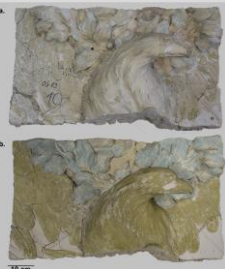

**Noa Quinteiro Carrera**

Abegg-Stiftung

**Unter dem Schutt erhalten**

Charakterisierung und Konservierung eines bestickten Korporalienkästchens aus dem 15. Jahrhundert

**Medea Uccelli**

SUPSI, Dipartimento ambiente costruzioni e design

**Ricollocamento di un frammento in stucco sul soffitto  
nel Castello di Uherčice (CZ)**

Messa a punto dell'intervento conservativo e ricollocamento in situ di un frammento rimosso dal supporto originale nella Galleria degli Angeli

**Laura Flückiger**

Haute école Arc Conservation-restauration

**Etude et conservation-restauration de la momie égyptienne  
de Ta-sherit-en-Imen**

**Coline Ardouin**

HKB Hochschule der Künste Bern

**La gestion muséale des plantes vivantes dans les installations**  
Perspective sur leur agentivité

## Abstracts of the Master's theses:

Posters of the Master's theses in Conservation-restoration are published yearly in a brochure available on the [Swiss CRC website](https://www.swiss-crc.ch).

The participation to the presentations is open to all interested persons.
